## DISCUSSION INTRODUCTION

The Teach for Soul Ministry is a special programme that encourages believers to engage in personal and effective evangelism in order to assist in their training and coaching, in the pursuit of "making disciples of all people"...

Using portions of Teach for Souls: An Emergency Response to Evangelism, (chapters 1-5), this special book review aims to create and equip Bible study facilitators to help individuals make well-informed decisions about salvation and develop strong convictions through a clear exposition of God's Word.

The objective is to support and educate believers on key biblical topics that a competent facilitator of a salvation-based Bible study will need to understand in order to increase others' biblical knowledge and lead people to faith in Jesus Christ.

## **DISCUSSION OBJECTIVES**

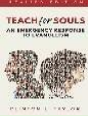

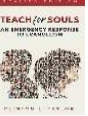

1. To discuss the objective of evangelism, which is God's strategy for reaching the world.
2. To examine what it means for an individual to be eternally lost.
3. To examine Paul's perspective on the "Great Commissions" mission.
4. To discuss the Bible's authenticity and reliability.
5. To discuss the various viewpoints surrounding the existence of God and the reality of God.
